**Investment Approach** 

Jun-16

Jun-15

 Fundamental long with private and public healthcare investments

Jun-17

Jun-18

Jun-19

Jun-20

- Focus on companies with innovative platforms and drug candidates
- Bottom-up selection of investments with solid long-term growth potential
- HBM takes an active role and assumes entrepreneurial responsibility together with the management team

#### **Reasons to Invest**

Jun-21

 Access to a diversified portfolio of private and listed healthcare companies with value increasing potential

Jun-22

 Global orientation with focus on the US, but increasing allocation in emerging markets such as China and India

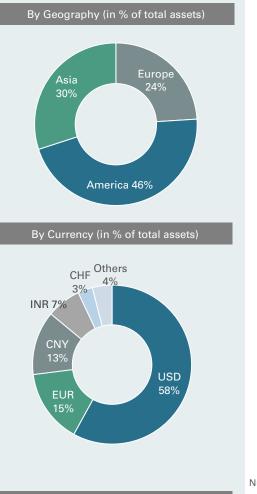

Jun-23

Jun-24

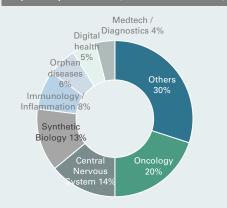

- Closed-end structure allows optimum exploitation of the value-increasing potential of healthcare companies
- Lower correlation to public market portfolios thanks to the substantial private capital allocation

Jun-25
